Members of Histon Tennis Club can use the Hard Court or MUGA for tennis during daylight hours. The charge is included in your membership. Bookings for the hard court and MUGA can be checked on the following link: <http://www.hisimprec.co.uk/online-booking-system/> If someone turns up who has booked and paid to hire the court you **must** give way to them.

- The key for the MUGA/Hard court is in the “Clover” pot on top of the filing cabinet in the club room – key pad code is **1984**
- Light tokens – in Tupperware pot, in cupboard under the sink in the club room. If tokens are getting low or you take the last one, please email Lynda Marsh (rec.clerk@hisimp.net) to ask her to top it up or go in and get some from her and replenish.
- Net for the MUGA court is kept in a wheelie bin in the corner of the hard court. Please take it down when you have finished playing.
